

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 1293 - SB 1204

February 24, 2023

SUMMARY OF BILL: Revises the acceptable standards for family life instruction for students. Expands the family life curriculum that an individual or organization can provide when assisting a local education agency (LEA) in providing the instruction to students. Requires an LEA to conduct at least one public hearing before revising a family life curriculum.

FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- The proposed legislation does not require an LEA to revise its family life curriculum or to change providers that may assist the LEA in providing instruction.
- Pursuant to Tenn. Code Ann. § 49-6-1302(c) LEAs are required to schedule a public hearing not less than once each September.
- Depending on how frequently an LEA revises its family life curriculum, there may be an increase in the number of public hearings that an LEA must conduct; however, it is reasonably assumed that such hearing can be conducted at regularly scheduled times without a significant increase in local expenditures.
- LEAs will be able to update their policies and comply with the requirements of the proposed legislation during the normal course of business. Any fiscal impact is estimated to be not significant.
